

Friday 29th January English Task

The Sandman

What will happen next?

Yesterday we read to the end of Chapter 2. Michael and Polly discovered the lighthouse and the fact that something had happened to Sergei Ivanovitch Prokofiev. He may have turned into a Seagull; he may have not. We will begin reading Chapter 3 on Monday.

What do you think will happen next? What will Michael, Polly and the Sandman do now?

Task: Can you design a comic strip that will tell their adventure? I have provided a comic book template, or you can design your own.

Can you include:

- Title – What will the comic be called?
- Pictures showing the action.
- Captions or speech bubbles to help tell the story.

Stuck for ideas?

- Something else may be lurking in the lighthouse. Does the Sandman need to save them?
- Polly, Michael and the Sandman may decide to go and hunt for Sergei.
- Polly and Michael may find something, a clue, a piece of treasure or a map.
- Sergei may return to the lighthouse. Is he a good or bad character?
