

Acomb First School's
"A View from my Window" Art Competition.

Hello everyone! I hope you are excited to take part in the Acomb First School Lockdown Art Competition.

As we all know we are spending a lot more time at home at the minute. So the theme for this competition is 'A view from my window'.

Artist **David Hockney**, has been completing pieces of artwork using an iPad and the views from his windows.

You can use **ANY** media (pencils, crayons, pastels, paint, collage, photography) to create your piece of artwork which represents a view from your window.

You could create a representation of:

- The actual view from your window.
- An imaginary view from your window.
- A view you want to see in the future.

Therefore, it is completely up to you what you create!

Please keep your artwork safe at home for the moment. When it is finished take a clear picture and send it via Tapestry and a winner will be chosen from each class.

Deadline: 11th February 2021
