

Monday 11<sup>th</sup> January English Task

The Sandman and the Turtles

Today we are going to begin looking at a new book that links to our topic of Oceans, and some of our English work will now be based on this text. Your task today is to analyse the front cover and make predictions.

Task: Look at the cover of the book and complete the following questions. You can use this worksheet to label the cover or you can complete this task on a piece of paper.

1. Can you label (or write down) the authors name? Have you heard of this author?
2. Can you label (or write down) the title of the book?
3. What does the title suggest about the plot of the book?
4. Can you label the image? What does the image suggest will happen in the book?
5. What do you think will happen in the story? Write a short paragraph to discuss your initial thoughts.
