

The adventure of Whizzy Wheel

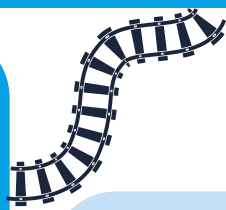

Parent Information

Maths

Year 1 will count, read and write numbers to 100. We will identify and represent numbers using objects and pictorial representations.

Year 2 will compare and order numbers from 0 up to 100 and use place value and number facts to solve problems.

In Term 1 we are historians investigating transport through time. We will investigate technology, build pull toys, create self portraits and explore the geography of our school. We will read a range of stories celebrating our differences and diversity.

English

We are writing our own story inspired by Matt De La Pena's 'The Last Stop on Market Streets'. We will use Harry Woodgate's story 'Grandad's Camper' to write postcards.

We are reading:

DT

We are inventors investigating mechanisms such as wheels and axles before building our own pull toys.

RE

We explore the question 'Who is a Muslim and how do they live?' before looking at why Christmas matters to Christians.

PE

We develop our teamwork through a range of games in which we work together and celebrate each others achievements. We develop our ball skills and practice out throwing and catching skills..

Science

We are scientists that will:
Identify and compare the suitability of a variety of everyday materials for particular uses
Find out how the shapes of solid objects made from some materials can be changed.

Geography

We are cartographers exploring the geography of our local area.

We will:

- Record our findings
- Investigate aerial photos, landmarks and maps
- Create our own maps
- Photograph the school grounds
- Present our findings to others

History

We are historians investigating transport through time. We will explore how the invention of the wheel changed lives. We will consider if everyone experienced change at the same time and in the same way.

Computing

We become familiar with Purple Mash before becoming music producers.

Careers

engineer
cartographer
musician
art curator

PSHE

We celebrate our differences and look at what makes us individuals. We will be reading the book 'Love Makes a Family' written by Sophie Beer which emphasises the message that families come in all forms.

Art

We are artists looking at line and shape. Inspired by the artwork of Brianna McCarthy we will create our very own self portraits. .
