Headteacher Miss Hannah Williamson

Dear Parents and Carers,

Summer News

It has been wonderful to welcome all of the children back to school, with so many smiling faces and such positive attitudes. They have returned ready to learn, and it has been a great start to the term.

A reminder that Bikeability is taking place this week for our Key Stage 2 pupils. Please ensure that children bring their bikes and helmets on Friday so they can fully take part. There will still be swimming for Year 4 children in the afternoon.

For our Year 4 children, consent is now available to approve on Arbor for walking to and from school independently, supported by the lighter mornings and evenings.

All classes will also be taking part in Forest School this week - Maple and Willow class on Wednesday and Chestnut class on Thursday. Please ensure children come dressed appropriately for outdoor learning.

Please can we also remind families that balls, scooters and bikes should not be used on the yard before and at the end of school. This helps us keep everyone safe during these busy times of the day.

As the weather begins to warm up, please ensure children bring a sun hat, water bottle and come to school wearing sunscreen. We are hopeful that the sunshine will be joining us more frequently, and we want everyone to stay safe while enjoying it.

We are delighted to share some lovely news from our extended Acomb family. Miss Waugh has welcomed their beautiful baby boy, Alfie, who arrived safely on 7th April. We are pleased to hear that they are all doing brilliantly, and we send them our warmest congratulations (photos attached!).

Thank you, as always, for your continued support.
