

## Wednesday 13<sup>th</sup> January Maths Task Mild

### Dividing by 10

Today we are going to be dividing by 10. This will help extend our knowledge from Monday and Tuesday ☺

**Task 1: Have a look at the Maths INPUT PDF and work through the activities.**

**Task 2: Match the division statements on the left to the correct answers on the right. Make sure you write down your working out!**

**Task 3: Can you now try these?**

1.  $20 \div 10 =$

2.  $60 \div 10 =$

3.  $120 \div 10 =$

4.  $450 \div 10 =$

5.  $30 \div 10 =$

6.  $90 \div 10 =$

7.  $310 \div 10 =$

8.  $540 \div 10 =$

9.  $780 \div 10 =$

10.  $620 \div 10 =$
