

## Wednesday 20<sup>th</sup> January Maths Task Year 3

### Factor Pairs

Today we are going to look at factor pairs. Please follow the INPUT PDF provided and complete the warm up tasks. This is technically a Year 4 topic, but it is good for Year 3's to learn the skills before next year.

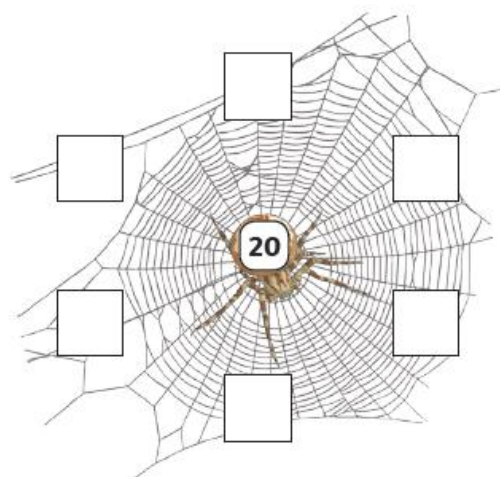

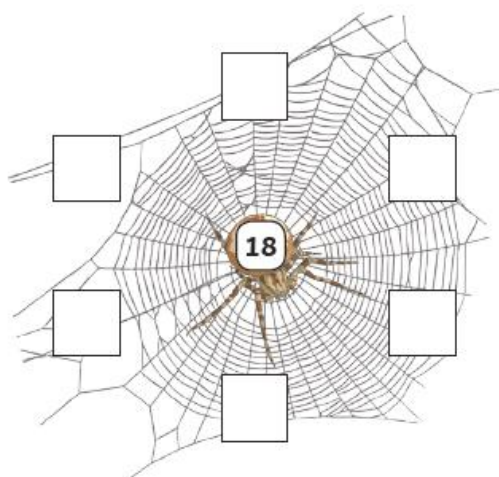

**Task 1: Choose the correct mathematical word to label the part of the calculation.**

**Task 2: Find all 3 factor pairs for 16. Draw the arrays to match each factor pair.**

Array 1	Array 2	Array 3
The factor pair is: <div><input type="text"/> and <input type="text"/></div>	The factor pair is: <div><input type="text"/> and <input type="text"/></div>	The factor pair is: <div><input type="text"/> and <input type="text"/></div>

**Task 3: Complete the factor spider webs.**
