

Wednesday 13th January

Today we are going to learn about England.

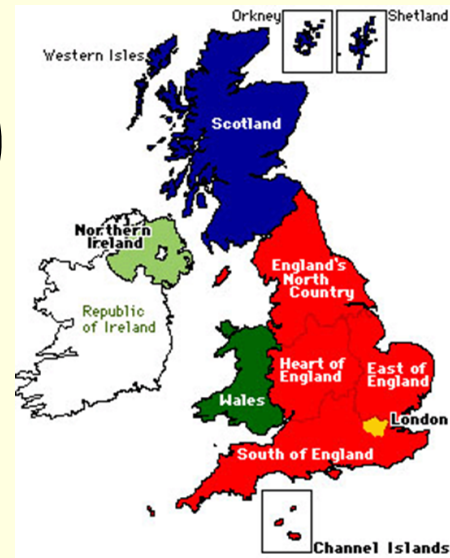

My trip to London

By

**Barnaby
Bear**

I found London on a map of
England. It is the capital city.

I travelled by train from Hexham to
London Kings Cross.

I found a funny platform there!

I caught the Tube to Covent Garden.

The Tube is a fast underground train, a bit like the metro.

There were lots of people there who were performing, shopping and playing music. I stood and listened.

I found a telephone box and called home. I didn't have a mobile phone.

This is Buckingham Palace. It is huge! The Queen lives here.

I caught a big red bus and travelled to the Houses of Parliament.

I saw the House of Parliament and Big Ben.

I walked over Westminster Bridge to see the
London Eye.

The London Eye is a giant Ferris wheel on the River Thames in London.

Then I went to see the Tower Bridge. It is really big!

I've had a lovely trip to London. Now I'm off to Scotland for my next adventure.

Can you tell a partner what Barnaby Bear saw when he visited London?

Wednesday 13th January

Wednesday 13th January

Barnaby Bear travelled to London from
Hexham to London Kings Cross.
You can get the bus to the London Eye.

Step Up

I can write about Barnaby Bear's trip to London.
I can name and describe landmarks in London.
I can name different types of transport used to get to London.

I can write about Barnaby Bear's trip to London.
I can name and describe landmarks in London.
I can name different types of transport used to get to London.

I can write about what Barnaby Bear saw in London.
I can name landmarks in London.

I can write words and phrases about places in London.
I can use clear finger spaces.
