

Tuesday 23<sup>rd</sup> February Maths Task Year 4

Perimeter of Rectilinear Shapes

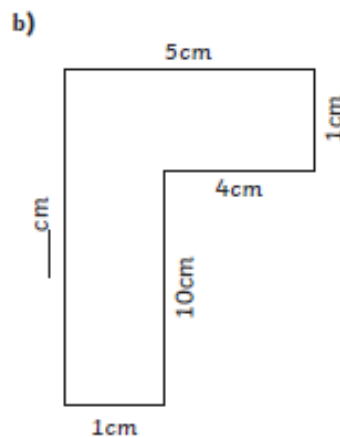

Look at the shapes below. Can you find the perimeter? Remember to show your working out. The first few shapes I have provided all the measurements.

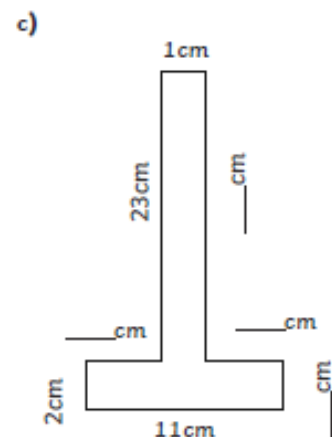

Now can you find the perimeter of the shapes below. You will need to find the length of the missing side first.

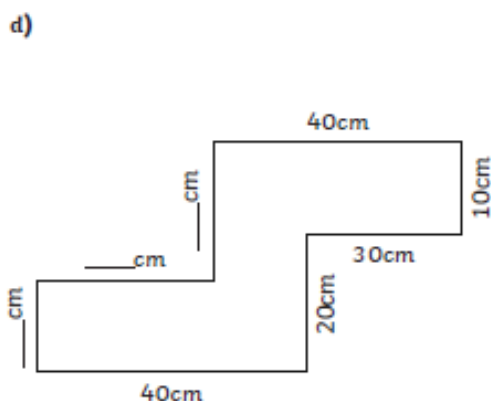

Perimeter = \_\_\_\_\_

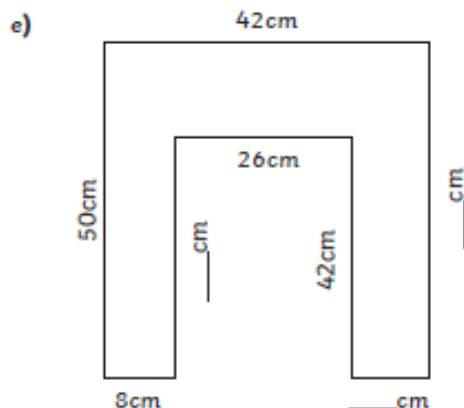

Perimeter = \_\_\_\_\_

Perimeter = \_\_\_\_\_

Perimeter = \_\_\_\_\_
