

## Wednesday 3<sup>rd</sup> February Art Task

### Georgia O'Keeffe

Today we are going to create our own picture in the style of Georgia O'Keeffe. This will be our final piece. Using our knowledge and skills we have built up over the last few weeks, I would like you to paint a shell in the style of Georgia O'Keeffe. You can choose one of the shells from last week, you could google an image or you could use a shell you have found.

Look at some of these images in the style of Georgia O'Keeffe.

You can create your final piece on a piece of paper and you can use whatever medium works best for you.
