

# Writing Instructions

Today we will recap instructions and the features of instructions.

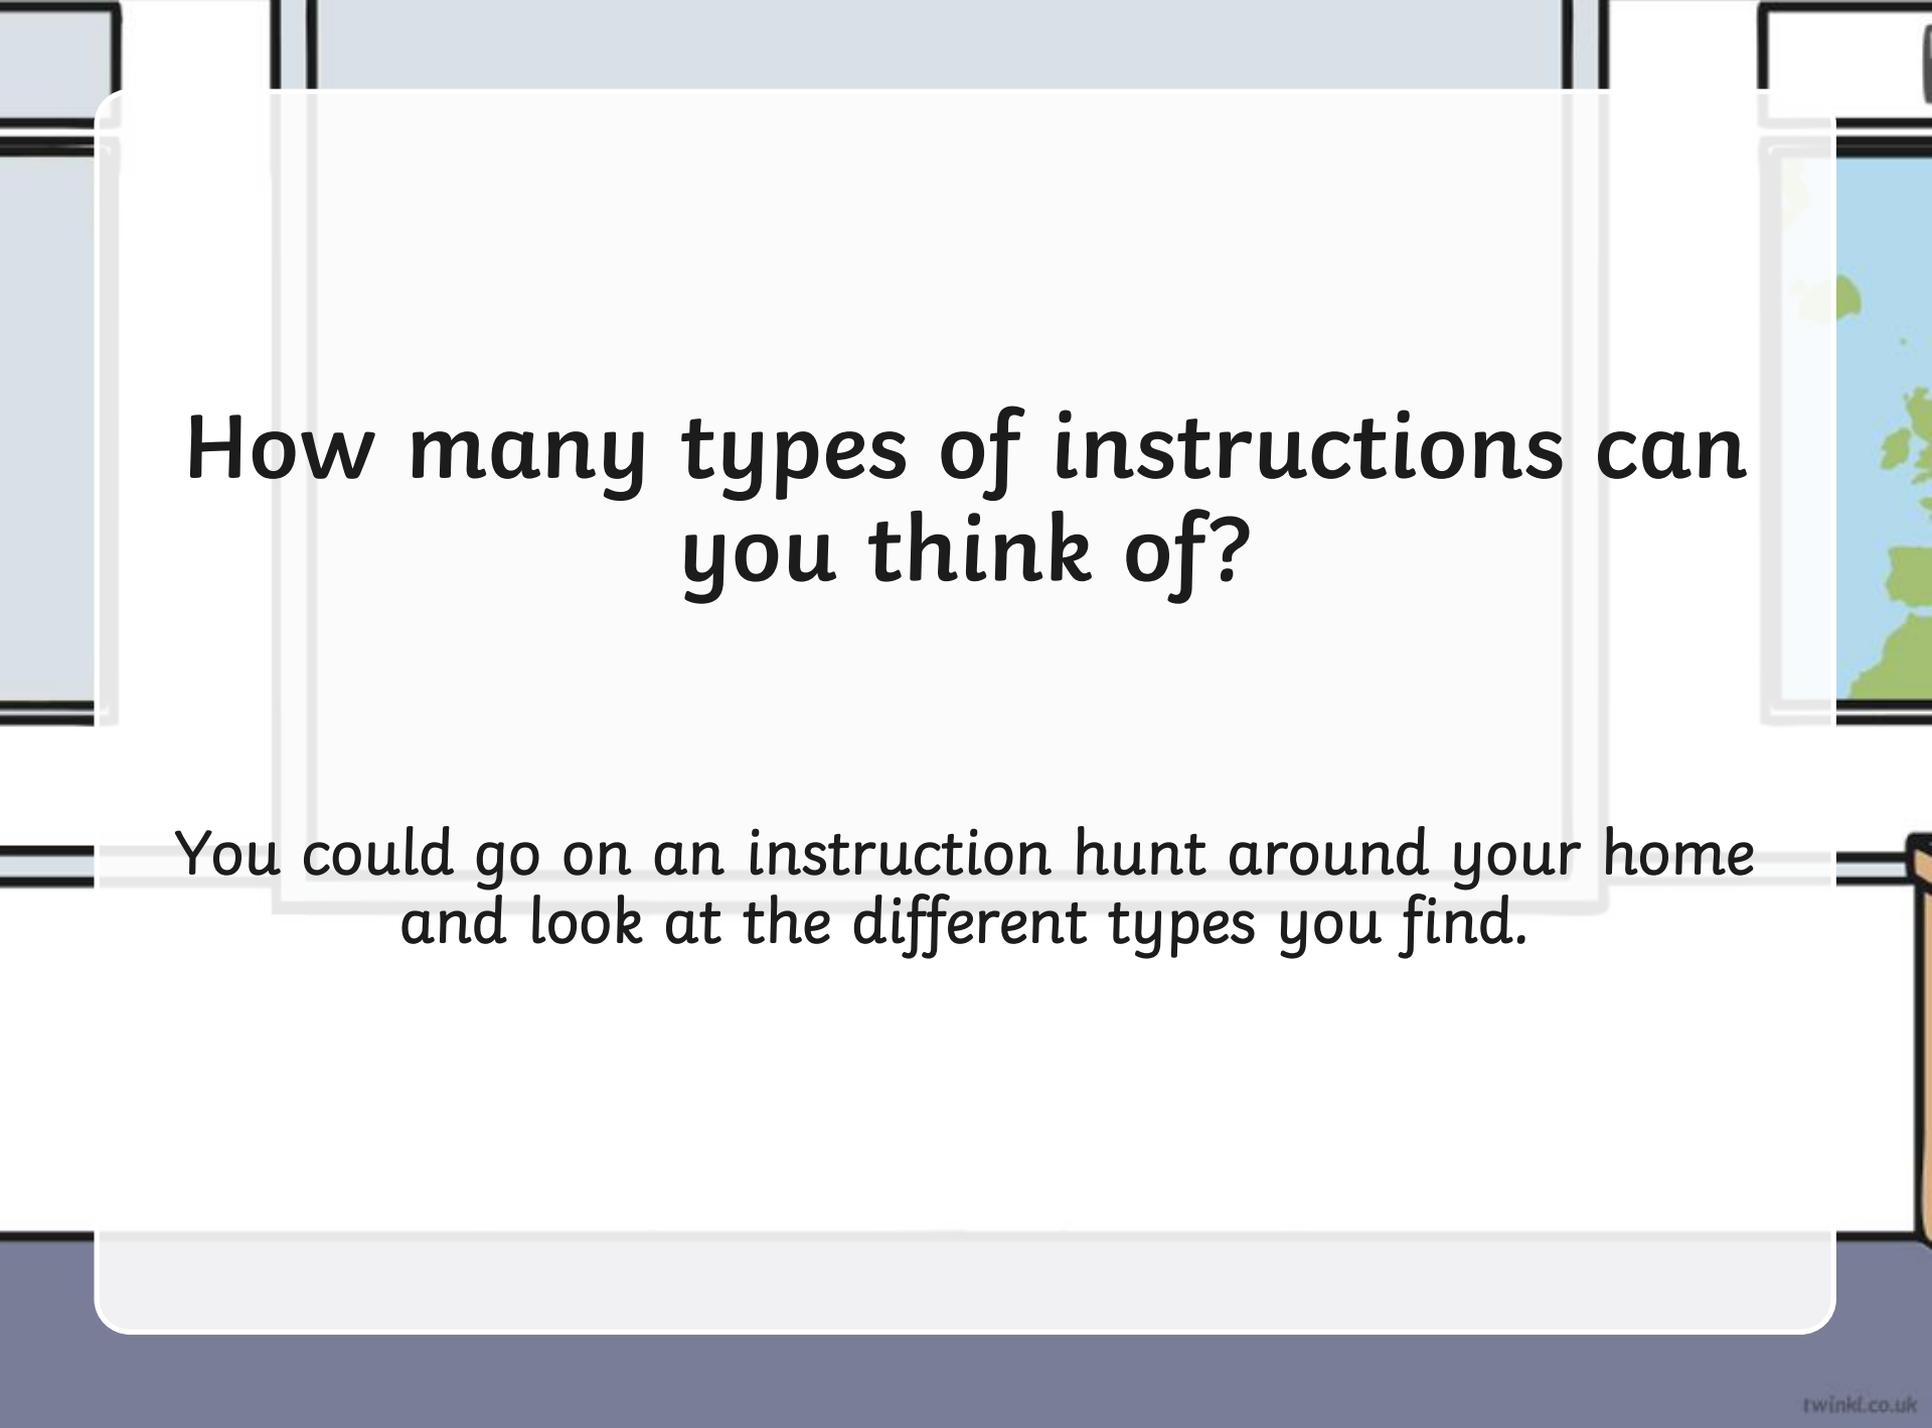

What are instructions?  
Why are they written?

# Instructions

Instructions are information texts and are written for someone who needs to know how to do something.

**How many types of instructions can you think of?**

You could go on an instruction hunt around your home and look at the different types you find.

# How to Write Instructions

1. Write in the present tense.
2. Use imperative verbs (bossy language) and adverbs to begin each step.
3. Use topic words.
4. Use time conjunctions.
5. Use clear descriptions.

**Look at the example on the next page. Can you spot the features?**

**We are going to focus on recipes this time.**

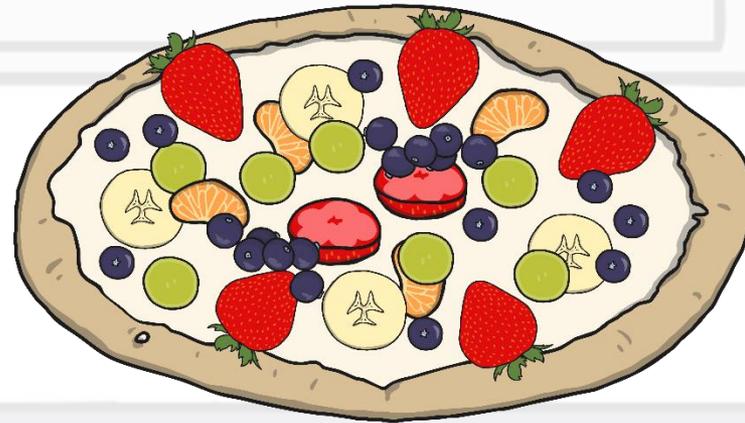

# How To Make Fruit Pizzas

## You will need:

- Digestive biscuits
- Natural yoghurt
- 3 – 4 different types of fruit e.g. Apple, banana, grapes, orange
- Plate
- Spreading knife
- Sharp knife
- A grown up!

## What to do:

- First, place your biscuits on the plate.
- Then, spread the yogurt onto the biscuit.
- Carefully cut up the fruit into small pieces. (Ask a grown up to help you with the sharp knife)
- Finally, put the fruit on top of the yogurt.
- Enjoy!

## Top Tip:

Keep the fruit pizzas in the fridge once made.
